Please find attached the PDF and MS word versions of the Galley Proof of your accepted manuscript.

**Important Note 1:** Kindly carefully change the reference style (Changes should be made in the Reference Section as well as content of the paper) of your manuscript as per the JOURNAL style. Reference style mismatch may result delay in publication. The reference numbers in the text should be written serially (Like [1], [2], [3].....). The corresponding reference for numbers [1], [2], [3], .....should be presented in the reference list accordingly. Kindly see the attached published paper (Sample reference guideline) to refer the JOURNAL reference style.

Please go through the manuscript very carefully. At galley proof stage no change is allowed. Authors are strongly advised not to do any change in the editor-approved version of the manuscript. Only minor **spelling/style/punctuation/grammar** changes are allowed at this stage. Kindly note that type setting of manuscript is already done. Any major change requires additional approval from reviewers and editors.
